To: NRAA Executive Officer,
State & Territory Associations,
NQRA Members

With the further restrictions on group sizes and travel imposed by Government regarding the COVID-19 virus and the general public concern for their wellbeing.

The NQRA Council have deliberated over the potential outcomes to our members and the wider shooting community who regularly travel to the NQRA Queens in May.

With the information presented to the NQRA Council and in the best interest for the shooting community we have decided to cancel the 2020 NQRA Queens and Wilson Lead up.

Regards

Marty Eiteneuer
NQRA Chairman
