

## MT VINCE RIFLE RANGE RE-OPENING

The Mt Vince Shooting Complex, now owned by the Mackay Regional Council, has re-opened and the Mackay District Target Rifle Association wish to advise that members of the general public are welcome to attend at programmed or pre-arranged times to make use of the recently expanded facility.

All shooting will be supervised by National Rifle Association of Australia accredited range officers.

**THE MDTRA WILL BE CONDUCTING OUR PRIZE SHOOT ON THE 9 AND 10 OF MAY  
EVERYONE IS WELCOME**

The range was shot on again for the first time after 2 and a half years while working through the hand over from Defence and Mackay Regional Council and the long process of working through the range approval with QPS.

Regards Marty Eiteneuer

MDTRA Secretary.
